LIVORNO 1896
GALLIANO
SPIRITO ITALIANO

Created in 1896 by Arturo Vaccari in Livorno, Italy, Galliano is one of the world's most celebrated Italian liqueur brands. Named after war hero General Giuseppe Galliano, it embodies the Italian spirit of flamboyance, craftsmanship and La Dolce Vita.

Crafted by Maraschi & Quirici in Chieri, a small town at the foot of the Italian Alps near Turin, Galliano is rooted in the very landscape where many of its distinctive herbs and spices grow. It is distilled in two small, traditional copper pot stills, each with a capacity of less than 100 liters. Its exact recipe of 30 botanicals, including angelica root, cinnamon, eucalyptus, green anise, juniper, lavender, peppermint, sage and Madagascar vanilla, remains a guarded secret to this day. The iconic tall, slender bottle is inspired by the ancient temples of Rome, designed to command top-shelf presence in any outlet.

The range offers a distinctive expression for every occasion: L'Autentico brings timeless vibrancy to the classic Harvey Wallbanger at aperitivo hour, while Vanilla adds a rich, velvety twist to a refreshing Galliano Limonata or an indulgent Hot Shot. Espresso delivers depth and intensity for the ultimate coffee-forward Espresso Martini, and L'Aperitivo captures the essence of sun-soaked moments in a perfectly balanced Spritz. The range is completed by a rich Amaretto, ideal for a refined Amaretto Sour at home, and the iconic Italian Sambuca, best enjoyed alongside a freshly brewed espresso.

Galliano elevates every gathering into something unforgettable. Whether at a bustling city bar, a summer terrace or around the dinner table, it brings Italian style and warmth to every pour.

Turn any celebration into memories with Galliano. Spirito Italiano.

Crafted through multiple macerations and distillations, its exact recipe remains a closely guarded secret to this day. Aromatic, complex and unmistakably Galliano, L'Autentico has earned its place as a requisite on every quality back bar and remains the essential ingredient in iconic serves such as the Harvey Wallbanger, Golden Cadillac and the Mulata Daisy.

FLUÈRE®

— FIND YOUR FLOW —

Fluère is one of the world's most awarded non-alcoholic spirit ranges, offering the freedom to participate on any occasion on your own terms and enjoy the full flavour and sophistication of a real cocktail without compromise – so you can stay in your flow, wherever and however you choose.

Inspired by the Latin word «fluere», meaning "to flow," the brand is built around the idea of fully participating in every moment on your own terms and never feeling like you're missing out. Designed as a versatile cocktail ingredient, Fluère empowers you to create both non-alcoholic and low-alcohol serves without compromising on flavour.

Crafted in Amsterdam and backed by over 450 years of expertise from Lucas Bols – the world's first cocktail brand – Fluère combines heritage with modern innovation. For each expression we use a complex process to extract the best flavour notes possible. Rather than creating an alcoholic spirit and removing the alcohol, each expression is carefully crafted ingredient by ingredient: Every botanical undergoes an intensive and slow process of maceration and distillation. Alcohol is used during this process to unlock the full spectrum of flavour compounds, including those that cannot be extracted by water alone. The result is a number of highly concentrated distillates with exceptional depth, intensity and purity. Those distillates are then expertly blended with water to create balanced flavours and a sophisticated mouthfeel that stands confidently alongside traditional spirits.

The range spans Botanical, Raspberry, Spiced Cane, Smoked Agave and Bitter – each a sophisticated, alcohol-free alternative to a classic spirit category. All available in 700ml and 275ml. Naturally lower in calories and sugar. Best before 24 months after production. Recipes co-created with the world's best bartenders to ensure you get to enjoy the full cocktail experience on your own terms.

Fluère – Find Your Flow.

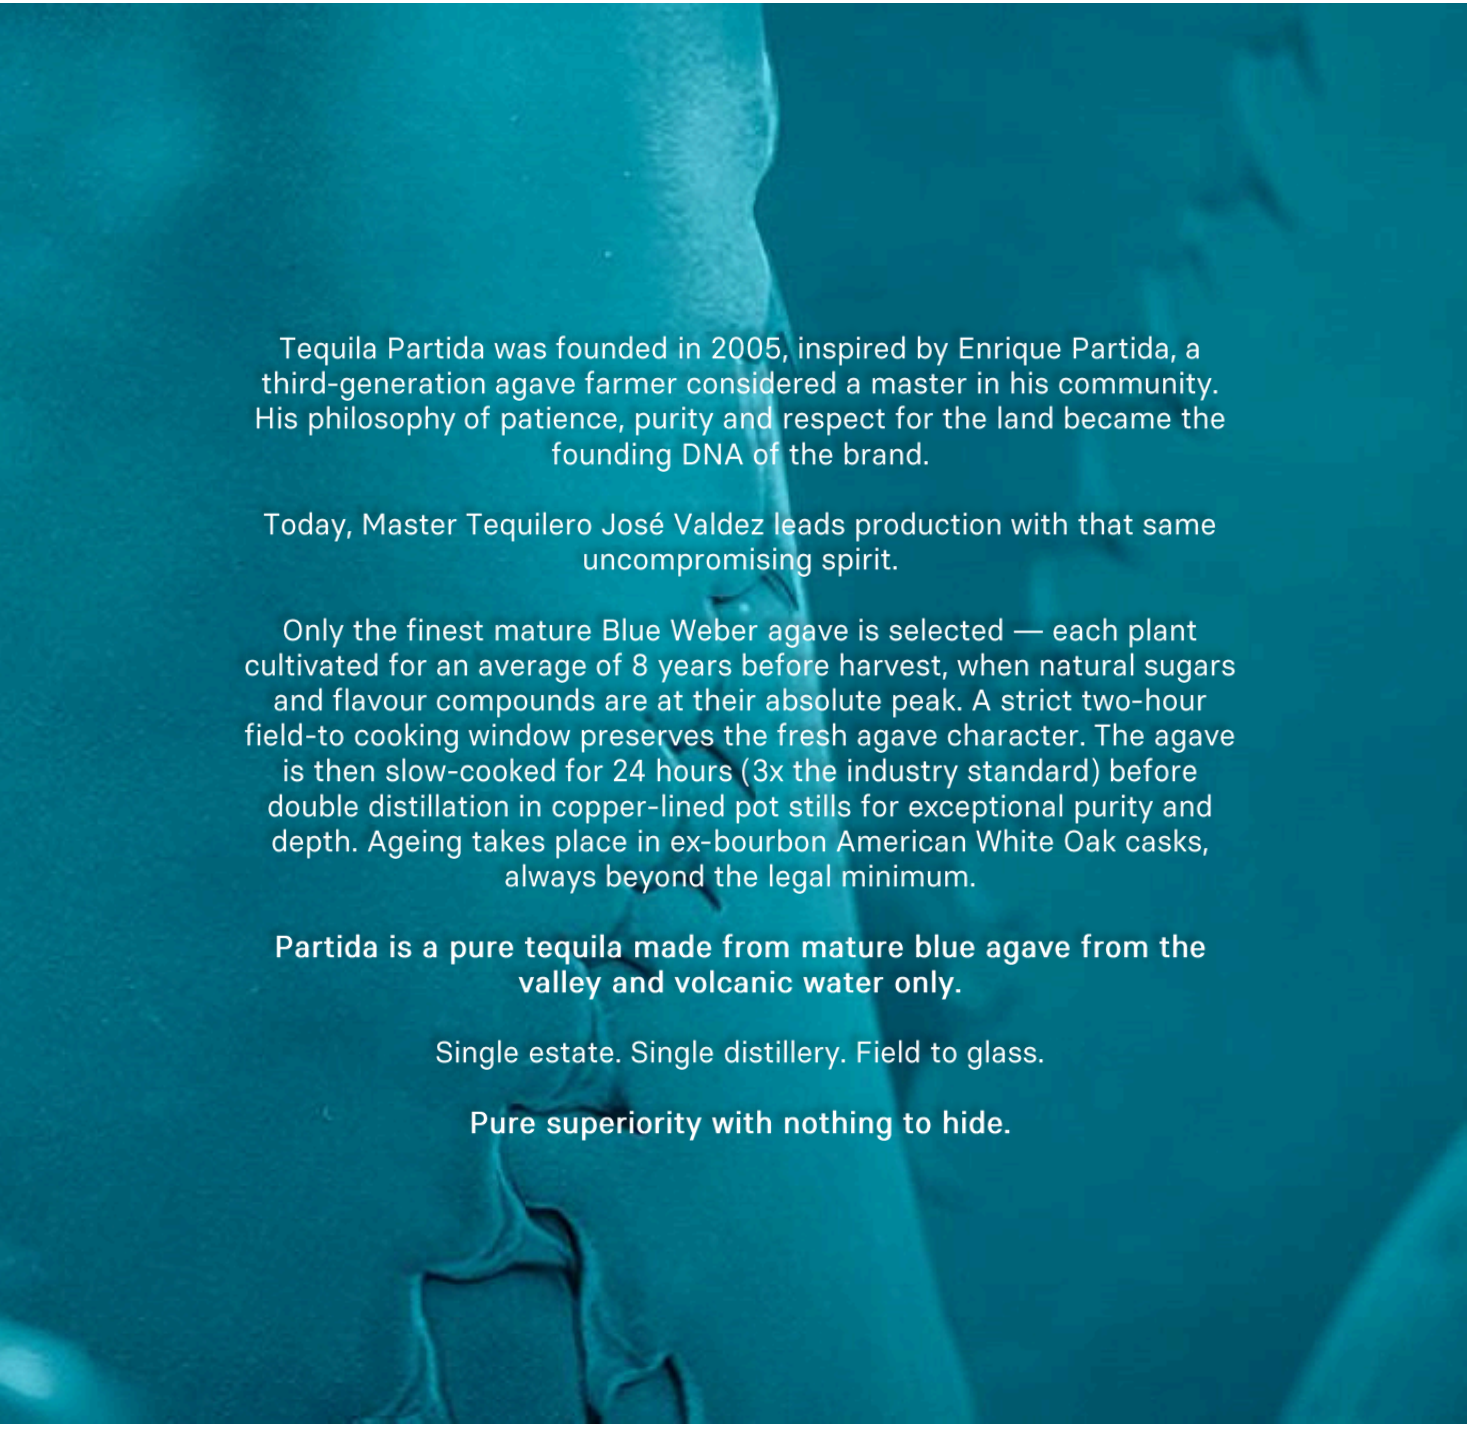
TEQUILA
PARTIDA®
Our website



Tequila Partida was founded in 2005, inspired by Enrique Partida, a third-generation agave farmer considered a master in his community. His philosophy of patience, purity and respect for the land became the founding DNA of the brand.

Today, Master Tequilero José Valdez leads production with that same uncompromising spirit.

Only the finest mature Blue Weber agave is selected — each plant cultivated for an average of 8 years before harvest, when natural sugars and flavour compounds are at their absolute peak. A strict two-hour field-to cooking window preserves the fresh agave character. The agave is then slow-cooked for 24 hours (3x the industry standard) before double distillation in copper-lined pot stills for exceptional purity and depth. Ageing takes place in ex-bourbon American White Oak casks, always beyond the legal minimum.

Partida is a pure tequila made from mature blue agave from the valley and volcanic water only.

Single estate. Single distillery. Field to glass.

Pure superiority with nothing to hide.

TEQUILA PARTIDA BLANCO

Tequila Partida Blanco is the purest expression of Tequila Partida. Unaged and crystal clear, Partida Blanco showcases the true, fresh character of 100% Blue Weber agave sourced from the Tequila Valley. Both floral and spiced, this is a glorious Blanco with an elegant agave nose, velvety texture, and a combination of a red ruby grapefruit and mint flavour profile.

TEQUILA ROBLE FINO

When Partida's Maestro Tequilero, José Valdez, visited Scotland for the first time, he immediately felt the connection to the homeland of the world's finest Single Malts. He envisioned an amazingly rich product that combines Single Malts Best in Cask Management and the Finest-Rated Tequila. From this vision came Roble Fino, meaning Fine Oak.

1st Aged for an extensive 18 months in ex-bourbon barrels to develop a full-bodied Tequila with hints of spice, maple and chocolate.

HENKES

Gin

In 1824, Johannes Hermanus Henkes founded a distillery in Holland, naming it de Ooijevaar (the Stork).

Almost two centuries later, the multi-awarded quality of Henkes is still recognised today. In 1959, the Henkes brand received the royal qualification and became an official purveyor to the Dutch Queen Juliana. Premium products at an affordable price; Henkes Gin & Whisky deliver both.

Henkes Gin:
Its distinctively refreshing taste comes from the dazzling mix of powerful juniper berry and coriander seed distillates, combines with citrus tones coming from the orange peel distillate. VACCARI

Just over 120 years after giving birth to the famous Galliano brand, Arturo Vaccari is finally honoured by a brand that carries his esteemed persona: Vaccari – a signature sambuca from the family, reflecting the subtle craftsmanship and passion of the man himself.

Crafted with three distinct flavours of anise, including the special Chinese star anise, Vaccari is a supremely soft-spoken and accessible family liqueur. This Triple Anise recipe is the unique difference and essential twist of Arturo Vaccari's signature sambuca.

Filled with passion and warmth, this wonderful aromatic drink is distilled in the XIX-century Italian tradition and a true tribute to the independent spirit of the Livorno native himself.

RESPONSIBLE DRINKING

Our products are intended exclusively for adults of legal drinking age.

We encourage all partners to market, sell and serve our brands responsibly:

Do not sell or serve alcohol to anyone under the legal drinking age.	Promote moderate consumption by e.g. calculating the units* of alcohol in a beverage.	Never encourage or portray drink-driving or any other irresponsible behaviour.

*A unit of alcohol is a useful measure to keep track of how much you drink and avoid harmful effects of alcohol. It helps you compare the strength of different drinks and follow the advice for low-risk drinking.

Please enjoy responsibly.
